in february 1919 20 nurses and midwives meeting in dublin to discuss their poor working conditions took a historic decision to establish a trade union the first of its kind in the world the irish nurses and midwives organisation inmo now numbers 40 000 and is ireland s largest nurse and midwife representative association this book examines the heady social and economic backdrop that gave birth to the inmo putting names and faces to the founders and delving into the challenges they encountered it details the organisation s conservative middle years and its recent emergence as one of the most vocal protagonists for nurses midwives and patients in ireland while also exploring the vast and varied service that the organisation provides to its members the prospect of a nurses or midwives strike always raises concerns for patient welfare and the book looks closely at how the inmo has negotiated this tension most especially during the 1999 national nurses strike one of the largest strikes in irish history a century of service is brought to life by a fascinating series of in depth interviews with the inmo s members and leaders in a story of an organisation that with talent tact and tenacity is delivering despite the odds

god wills it is a comprehensive study of presidential religious rhetoric using careful analysis of hundreds of transcripts david o

connell reveals the hidden strategy behind presidential religious speech he asks when and why religious language is used and when it is whether such language is influential case studies explore the religious arguments presidents have made to defend their decisions on issues like defense spending environmental protection and presidential scandals o connell provides strong evidence that when religious rhetoric is used public opinion typically goes against the president the media reacts harshly to his words and congress fails to do as he wants an experimental chapter casts even further doubt on the persuasiveness of religious rhetoric god wills it shows that presidents do not talk this way because they want to presidents like jimmy carter and george h w bush were quite uncomfortable using faith to promote their agendas they did so because they felt they must god wills it shows that even if presidents attempt to call on the deity the more important question remains will god come when they do
